## Practical Facts about Great Travels Tours

### Reservations and Payment

We offer a limited number of departures with small groups. We suggest reserving at least six months in advance since many trips sell out early. Just call us at 202 237-5220 and we will confirm your reservation over the phone, pending receipt of your deposit and written application within three business days. A per person deposit, as stated in the trip brochure, is required to reserve your place. The balance of payment is due 60 days before departure (or as indicated). Reservations made within the 60-day period preceding the trip must be accompanied by full payment in US dollars. Payments may be made by personal bank check or credit card (service fees will apply).

### Confirmation Package

Upon receipt of your deposit and application we will send you complete details on what to bring, how to prepare for your trip, detailed itinerary, suggested reading material and a trip cancellation insurance application.

### Air Travel

Airfare is not included. Call us for advice regarding the most convenient air itinerary.

### Trip Prices

Our trip prices are calculated far in advance of the trip departure. In the event that the rate should rise higher due to fuel surcharges or changes in the foreign exchange rates (Euro 1 @ \$1.40) we reserve the right to charge a per person trip supplement.

### Trip Itinerary

We occasionally may find it necessary to make small changes in our stated itinerary. Usually when we are making a change, it is simply to improve the trip, but unforeseen circumstances may force us to alter the itinerary. Tour arrangements are sometimes made up to a year in advance and unforeseen circumstances may require changes. We make every effort to keep these changes to a minimum and any substitutions will be of equal or greater value.

### Group Size

Should the minimum number of participants not be reached, we will still run the trip if all participants are willing to pay a supplement. The supplement amount will depend on the trip and the number of participants. If you prefer, you have the right to cancel or switch trips without charge.

**Office Hours: 10 am - 6 pm EST  
Monday - Friday**

### Single Supplement

Solo travelers who request a single room will be charged a single supplement. If you are a single traveler who would prefer to share a twin-bedded room, we will try and match you with another participant. If this is not possible, you will have a single room and the single supplement will be charged. Please note that in Europe, single rooms are often smaller than double rooms, and what you are paying for with your single supplement is the comfort and privacy of your own room. If you want a larger room, you can request a "double room for single use" at a higher rate.

### Cancellations and Refunds

If we receive your cancellation notice more than 90 days before departure, in writing, your deposit will be refunded less \$175. Cancellations received 89-45 days before departure will be refunded less \$1200. Cancellations received less than 44 days before departure cannot be refunded.

### Travel Insurance

We offer and recommend travel insurance to cover your trip in case of cancellation or trip interruption. Our insurance carrier, Access America, offers maximum protection regardless of prior health problems **if the insurance is purchased within 14 days of your initial deposit for the tour.** If you do not have one of our Access America brochures and application forms, please call us.

### Your Responsibilities

As a trip member you have a responsibility to GTI and to other tour members that includes: Selecting a trip appropriate to your interests and ability and being in sufficient good health to undertake the trip. Preparing for our trip by reading ALL of the pre-departure information provided to you by GTI and bringing with you appropriate clothing. Acting in an appropriate and respectful manner in accordance with customs and laws of regions visited. GTI has the right to accept, retain or decline any tour member at any time for any reason. In such case a refund equal to the actual cost of the unused services is the limit of GTI's responsibility.
